PERSONAL AND CONFEDENTIAL

To whom it may concern;

RE: Randall Kenneth King

It is with great pleasure that I write this recommendation letter for Mr. Randy King in support of his application to become an instructor in your prestigious program.

I have know Mr King for the past 20 years. First as a student learning TaeKwon-Do from myself and other instructors in Edmonton, Alberta (1993-2000). Mr King went onto study a variety of styles in which he has been certified from and now intergrates into his instruction. I watched as Mr King developed his skills culminating with his opening of his own school part time in 2005 and becoming a full time instructor in 2008. It was then I became his student, participating in several classes and seminars that he has taught and held. I have watched him grow and mature to become a fine martial artist, a caring and compassionate individual, and a excellent instructor.

In 2011, Mr King came to the Shin Ji Taekwon-Do Club and taught a 3 hour knife seminar to over 50 black belts (I-III Dan), Instructors (IV-IV Dan) and Senior Instructors (Master Level VII Dan).

Mr King has been keen on expanding his knowledge base and regualrly travels to train with a variety of instructors/proponent of reality based martial arts. Once back in the club, his no nonsense approach is to educate and prepare his students for what can and will come at them in a confrontation.

I would recommend Mr King without reservation for a position in your teaching staff. Feel free to contact me if you have any questions.

Sincerely

**Dr. Raj Dhaliwal, B.Sc., B.Hs., M.D., I.M.D.
